

InSIDE - Including Students with Impairments in Distance Education

<https://www.inside-project.org>

Newsletter No. 4

InSIDE marks the end of its third year

Welcome to the fourth Newsletter of the InSIDE project. In this newsletter, we would like to inform you about the progress in the project "Including Students with Impairments in Distance Education (InSIDE)".

3rd Progress meeting – online, 30 November 2021

Representatives from the partner organizations attended the online third progress meeting of the project on 30 November 2021. They discussed the procedures, progress of deliverables, steps, and actions to be taken on the project implementation, as well as administrative and financial issues.
